

Observations

What do you see?

What is it made of? What is its color, size, & shape? What details do you notice?

Inferences/Hypothesis

What do you think, based on visual evidence?

Does this object look like anything else you know? Is it damaged, whole, or a part of a thing? Where is it from? How old is it? Who used it?

Questions

What do you wonder about this object? How would you go about finding the answers?
